

**Mad River Valley Planning District
Steering Committee Meeting
Agenda
February 16, 2017
7:00 P.M.
General Wait House, Waitsfield**

I. Accept Minutes of 1/26/16 Steering Committee Meeting

II. Staff Report

III. New Business

- a. 2016 MRV Data Report
- b. 2017 MRV Housing Study
- c. CVRPC Regional Energy Plan Survey

IV. Old Business

- a. Community Vitality Project Update

V. Events/Workshops

- a. [Regional Prevention Partnerships Training | 3/13 | W. Lebanon, NH](#): The Vermont Department of Health/Alcohol and Drug Prevention Program's Regional Prevention Partnerships (RPP) in collaboration with the VT Regional Planning Commissions are offering this policy development training focused on expanding knowledge and skills for increasing collaboration in policy planning and development re: prevention.
- b. [Spring Selectboards Institute | 3/18 | Montpelier](#): This annual VLCT event focuses on the unique roles and responsibilities of Vermont selectboard members. Designed for both newly elected and seasoned members, the program is highly interactive and allows members to learn from each other's experiences. Staff members who report to the selectboard will also benefit from attending.
- c. [Local Leadership in Economic Development Workshop | 3/22 | Montpelier](#): This VLCT workshop is designed to help Vermont's local elected officials and decision makers learn about opportunities to grow their communities while maintaining their distinctive characters and quality of life. Presentations will include data on economic trends in the state, case studies, and information about available tools and resources. Members of legislative bodies (selectboards, city councils, and village trustees), town and city managers, administrators, and municipal staff who lead economic development and planning departments and others are encouraged to attend.
- d. [VT Arbor Day Conference | 5/4 | Montpelier](#): The Vermont Arbor Day Conference is designed for all stewards of Vermont's urban trees and community forests and will provide an opportunity to enhance hands-on technical skills, engage in urban forestry hot topics, and network with professionals. Joe Murray, consulting arborist and educator will be the keynote speaker.

VI. Next Meeting – March 16, 2016
