- a. [Spring Planning & Zoning Forum | 6/14 | Lake Morey Resort](#): This annual VLCT workshop is for all local officials involved in the planning and development review process. Zoning administrators, planning commissioners, DRB/ZBA members, town administrators and managers, municipal planners, and regional planning commission staff are encouraged to attend. The sessions will provide a dynamic mix of legal information, practical solutions, and policy discussions with opportunities to discuss pressing issues in municipal planning and zoning with knowledgeable officials from across the state. Sessions will focus on fair housing, floodplain management, current trends in land use, energy & environmental law, and effective decisions for DRBs.
- b. [Smart Growth Summit | 6/16 | Champlain College](#): AARP VT & VNRC are hosting this dynamic and interactive summit aimed at raising and addressing a variety of issues that present challenges and opportunities in the field of community development. The Summit brings together local officials, planners, policy makers, developers, and business people to learn about Vermont's smart growth accomplishments, gain practical tools from colleagues and discuss ways we can harness smart growth to provide housing choices, transportation options, and a high quality of life for all Vermonters.
- c. [Composting Workshop | 6/17 | Waitsfield Town Office](#): The Mad River Resource Management Alliance will be hosting a composting workshop at the Waitsfield Town Office on Saturday, June 17, 10:00am - 11:00am. More info at
