- a. [VT Arbor Day Conference | 5/4 | Montpelier](#): The Vermont Arbor Day Conference is designed for all stewards of Vermont's urban trees and community forests and will provide an opportunity to enhance hands-on technical skills, engage in urban forestry hot topics, and network with professionals. Joe Murray, consulting arborist and educator will be the keynote speaker.
- b. [Blazing a Trail: The Economic Impact & Future of Vermont's Trails & Recreation Paths | 5/10 | East Burke](#): Many Vermont communities are actively exploring ways in which trail systems and recreation paths can serve both a recreational and economic function. Join Vermont Community Development Association to discuss strategies to advance the recreational economy, explore the role that trails and recreation play in our rural working landscape and downtowns, and learn about successes, opportunities, and challenges in developing new trail systems.
